

NOTICE OF SUSPENSION

Request for Application Open Enrollment

Adult and Child/Youth Mental Health and Substance Use Disorder Services RFA# 2016-001

The Request for Application (RFA), Open Enrollment, Adult and Child/Youth Mental Health and Substance Use Disorder Services is suspended effective immediately until further notice. NTBHA intends to post amendments to the RFA that will provide important clarifications to requirements of the RFA and the due date will be extended. NTBHA intends to reinstate the RFA with essentially the same programmatic requirements. However, there are expected to be amendments to the Payments/Rates Section. If you have already submitted an application, we will provide further instructions. In the meantime, the submission will remain unopened. Please be advised that NTBHA will not accept additional applications until the RFA is reinstated. Please look for the announcement and be prepared to respond.
