

## **OSAR Services**

### **Outreach Screening Assessment and Referral**

#### **Vision**

OSAR envisions a caring supportive network that proactively empowers youths, adults, and families impacted by alcohol, drugs, and co-occurring mental illness to achieve a healthy quality of life and a recovery-informed community.

#### **Mission**

To remove barriers by providing Outreach, Screening, Assessment, and Referral services for individuals with substance use and/or co-occurring disorders through brief interventions and linkage to treatment and recovery oriented services.

#### **Values**

**Integrity:** OSAR abides by ethical principles to ensure that we are providing the highest quality of services and standards of care to the communities we serve.

**Individualized Care:** OSAR fosters a safe environment where counselors and consumers collaborate to identify personal recovery goals, needs and strengths, taking into account all areas of life.

**Collaborative Care:** OSAR engages with community agencies, families and recovery networks to improve access to comprehensive care and to bridge gaps in services.

**Education and Outreach:** OSAR serves as a first point of contact for the community and works across the six-county region providing education to eliminate stigma and barriers to care.

#### **Treatment services will be provided in the following order of priority:**

1. Pregnant and injecting individuals
2. Pregnant individuals
3. Injecting drug users
4. DFPS referrals
5. All others
